

# A GLOBAL PRIORITY FOR EQUITY

Gaucher disease  
ROMANIA

## WORLD EXPO – SWEDISH PAVILION DUBAI 28 FEBRUARY 2022

Our aim is to support rare diseases as a global priority for equity, discuss impact and implementation of UN Resolution at the global and local level, and build a roadmap for future of rare diseases beyond health, with a focus on Africa and low- and middle-income countries.

### PROGRAM

- 10.30**      **IMPACT OF UN RESOLUTION AT GLOBAL LEVEL**  
 We will hear from royalty, health ministers and the global UN Resolution team.
- 11.30**      **IMPLEMENTATION AND IMPACT OF UN RESOLUTION AT NATIONAL LEVEL**  
 Join the roundtable on how the UN Resolution can make an impact at national level.
- 12.30**      **LUNCH**
- 14.00**      **SUPPORTING RARE DISEASES AS A GLOBAL PRIORITY FOR EQUITY**  
 Discussion of priority themes from WHO, UNICEF and Agrenska.
- 14.30**      **RARE DISEASES IN AFRICA TODAY**  
 Join an overview on the African rare disease landscape, hear about opportunities specific to Africa and an exchange with representatives from the region.
- 15.15**      **COFFEE BREAK**
- 15.30**      **FUTURE OPPORTUNITIES IN AFRICA AND BEYOND**  
 Building a roadmap for the future looking specifically at healthcare, social care, school, financing, and labour
- 16:30**      **END OF FORMAL EVENT**
- 19.00**      **CELEBRATING RARE DISEASE DAY**  
 As a conclusion to the programme, we will host an evening event in the Pavilion, inviting people digitally from all over the world to join the guests on site in a joyful celebration of Rare Disease Day.
